

## With Him

Am F Am F  
A cross upon a hillside, what does it mean  
Am F  
Most say that it speaks of death  
Am F G  
But it means so much more to me

Am F  
It's true that Jesus died there  
Am F  
But there's so much more to be told  
Am F  
'Cause He rose three days later yeah  
Am F G  
Now He walks upon the streets of gold

Am F C G  
**We will soon be with Him forevermore**  
Am F C G  
**Where we will walk with Him upon that crystal shore**  
Am F C G  
**Talk with all of the saints of old**  
Am F C G  
**And bow before the mighty throne of God**  
Am F C G Am F C G  
**Forevermore**

Like Thomas how can we believe  
In something that we cannot see  
We need to touch His wounds  
So that we can be set free

They visited the tomb that day  
That's where they saw an angel  
Someone had rolled the stone away  
And we know that Jesus lives today
